## NZBA Fun Club.

This is a casual friendly club open to all. It is a chance to socialize and meet new friends. For those who are interested we have structured coaching aimed at beginners and near 'new players' to help you become a competent doubles player in just weeks. Here you can learn technical, tactical and the basic rules of the game to enable you to engage with others in social club games.

We will provide all the equipment needed, friendly coaches, and an effective, safe learning environment.
